Dear WSRC Members,

In March, WSRC, the skiing community and indeed the world have experienced an unprecedented event with the COVID19 pandemic. In our announcement of the suspension of the balance of the season on March 15th, WSRC committed to review the financial fallout of the suspension.

The club refund policy is available under financial policies on the website under 'About Us'. The club refund policy does not contemplate refunds for program fees in the event of a cancellation.

Of further note, the WSRC BoD voted in favour of keeping the coaches whole, as they committed to give up their weekends and their commitment is a huge part of the club's success. Consequently, the club realized little to no savings as a result of the program cancellation.

However, WSRC is prepared to share the burden of the cancellation with its membership and offer a refund of 50%* of the early bird program fee (less ACA fees) for two out of twelve weekends. (*some conditions apply) Here is the breakdown:

Age Group	Program	Program Fee (Early Bird)	Less ACA Fee	Balance = WSRC Revenue	Per Weekend (12)	Two Cancelled Weekends	50% Refund
U8	1 Day	\$ 649	\$ 59	\$ 590	\$ 49	\$ 98	\$ 49

At their own discretion, members may elect to decline the refund and donate the amount back to the club.

Over the next week, members will receive their race account statement by e-mail. This will include any monies owed or to be refunded for races, camps or any other expenses as well as the program refund. We require a confirmation e-mail back that you are in agreement with this statement in order to process a refund. Also, in the case of a balance owing, monies owed are due upon receipt. As per our Membership Policy, payment is required to remain in good standing with the club.

If you have any questions or concerns, please do not hesitate to contact us at admin@wentworthracing.com

Thank you for your patience as we work through this together and as always, thank you for your continued support of our club.

Yours Truly,

WENTWORTH SKI RACING CLUB
